MONTGOMERY COUNTY DEPARTMENT OF PERMITTING SERVICES

Carla Reid
Director

Adoption of 2006 Codes

On May 13, 2008, the County Council approved the Department of Permitting Services' Executive Regulation 28-07 which adopts the 2006 editions of the International Building, Energy Conservation, Mechanical, Fuel-Gas, and Residential Codes. This regulation's effective date is May 13, 2008.

With the adoption of this regulation, the Department of Permitting Services (DPS) will begin enforcement of the 2006 editions of these codes.

As a period of transition, DPS will allow a sixty (60) day grace period for permit applications. During this grace period, permit applications can be submitted to DPS for compliance with either the 2003 editions or the 2006 editions of the applicable International Codes. Starting Monday, July 14, 2008, all permit applications must be submitted under the 2006 International Codes.
